Message from the Principal
Dear Parents and Caregivers,

Easter Hat Parade
Thanks to all those parents and school community members that joined us for the Easter Hat Parade on Thursday. It was terrific that you could be here to watch all the Infants students proudly display their Easter creations! I hope everyone had an enjoyable Easter and took the opportunity to spend time with family and friends.

PCYC/Police Morning Program
Soon I’ll be making contact with parents regarding a new initiative that is being run by the PCYC and Police. It involves boys that are 9 years and above and consists of an early morning pickup, morning exercise regime, breakfast program and then a drop off service to school. The program runs three mornings a week and is aimed at preparing boys for a full day of school.

Uniform
It is great to see so many students proudly wearing their school uniform to school every day. It looks fantastic and shows they have pride and respect in their school. Please ensure this keeps up for the remainder of the year, and that students are dressed in school coloured jumpers and long pants when the weather cools off.

PSSA Sport
Notes went home last week to students who are at risk of missing out on participating in PSSA sport next term due to inappropriate behaviour at school. Representing the school is not compulsory and is at the discretion of the school – please have a talk with your child about the content of the letter.

Breakfast
Please ensure your child is having breakfast before arriving to school every day as it enables them to concentrate better in class and be less disruptive. Too often students tell us they haven’t had breakfast which causes disruptions to morning programs and the school is not provided with extra funds to cater for this.

Have a great week.
Toby Morgan.

From the Library
Great Grandparents Day!
A BIG THANKYOU to all those grandparents (and parents, even an aunty) who took the time to come into our library to browse and choose a book to donate to our library on behalf of your grandchildren. We had a total of 50 books donated!
As soon as these books are accessioned, a presentation label glued in and then covered, the children will be able to borrow and enjoy these books.

K-2 Easter Hat Parade

Last Thursday, Kindergarten, Year 1 and Year 2 participated in the school’s annual Easter Hat Parade. During the parade, the children had the opportunity to showcase the Easter hats that they have made in class. WOW!

PSSA Sport Term 2

This will start Week 1 next term and finish in Week 8, (a total of 8 weeks). A cost of $2.00 each week (or $16.00 for the term) is to be paid even if the child is absent as the buses have been booked and the set cost has to be paid each week regardless of how many children travel.

If your child has opted for any of the following sports please be aware of the mandatory equipment that each child must have to participate.

- **Rugby League** – mouthguard is mandatory (head gear and shoulder pads are recommended but not mandatory)
- **Hockey** – mouthguard and shin pads are mandatory
- **Soccer** – shin pads are mandatory.

If there is a concern about any aspect of PSSA for next term please see Mrs Sluiter as soon as possible as team numbers have to be submitted and finalised before the end of this term.
