Message from the Principal
Dear Parents and Caregivers,

District Swimming Carnival
Well done to all our students who competed at last week’s Dubbo District PSSA Swimming Carnival at the Dubbo Aquatic and Leisure Centre. Everyone who participated displayed excellent sportsmanship and represented our school with pride. A special mention must go to Shenaye Moses Bird and Dane Fuller who qualified to compete at this Friday’s Western SSA Carnival. All the best!

Canteen
The ladies in the canteen have been doing a great job this year in preparing food for the students at DNPS. The students are well looked after and a wide range of healthy food is available to purchase. Please remember to pay for meals that have been booked up so that the canteen can continue to support the school by providing much needed funds. Great job Mrs Piper and Mrs Josephs!

Assemblies
It has been great to see so many parents attending our Infants and Primary assemblies on Thursday and Wednesday afternoons respectively from 2:45pm. It’s great that students are given the opportunity to perform on stage and show off their pieces of writing, reading skills and pieces of art. I look forward to seeing this build over the remainder of the 2014.

Have a great week.

Keeping up with Kinder
This week Kindergarten will be receiving their sound booklet. This book is designed to assist students with the sounds they have been learning this term. Please practice them with your child each day.

DNPS Fly with Books program starts this week too. Your child will bring this information home in a green ‘home reader’ bag later this week.

Library Update
FLY WITH BOOKS
This week, all the children "Fly with Books", as our home reading program begins.

The card details how the program works - children read aloud to someone for ten minutes daily. Each day they can have their card signed. After 8 signatures they have earned a book.

CAN YOU HELP?
This term some classes will be creating models and dioramas to show what they have learned. To do this, we need to build our collection of junk materials. If you have small boxes, trays and cylinders from cling wrap or paper towel we would appreciate a donation to the Library. A box in the Library office is there to hold them.

BOOK CLUB
Book club orders go home this week. Thank you to all those who placed an order we have earned over $150 worth of books for the Library.

From the Hearing Team

Last week, the School paid for Hearing Life Dubbo to provide a Service of hearing testing to the School. We are very thankful to Travis Hall, the Audiometrist, and Donna Rees/Rachel Mills from the Hearing Support team who spent the day testing and checking the children's ears. Even Mr Shipp had his hearing tested.!! Reports will be sent home this week. A lot of the children will need to have another hearing test. Can you please phone Hearing Life to make the appointment 6882 0807

If your child has previously had their hearing tested over the last 12 months, would you please forward the results to the school or if your child is having trouble with their hearing, please phone the hearing team on number above. Thankyou.
