**Week 2 Term 2**

**Message from the Principal**

Dear Parents and Caregivers,

**Food At School**

Now that it’s starting to cool down, please discuss with your child what is in their lunch and whether they need more for the colder months. Students regularly eat more in Winter so please talk to them about what they have in their lunchbox and if it’s enough. Also, please ensure students are having breakfast in the morning as an increasing number of students are coming to school having not had breakfast, and this effects their concentration and at times behaviour in class.

**Uniform**

Due to the cooler weather students should be beginning to wear Winter uniform to school. Please make sure students are wearing either grey (boys and girls Monday – Thursday) or green (Friday) long pants to school and not any other colour. Also, students need to be wearing green jumpers to school and not yellow, red or any other colour. Students wearing the incorrect uniform will not be allowed to leave the school grounds and will be given a green jumper to wear for the day.

**Locked Gates**

Please note the Northern boundary fences will be locked every day to ensure our students remain at school. The double gates will be locked at approximately 8:55am and the two single gates at 9:30am. Parents/carers and students who arrive after this time will need to access the school via the front entrance. Sorry for any inconvenience this may cause.

**NAPLAN**

This testing will occur next week so it’s extremely important that all students in Years 3 and 5 attend school every day, have had a good night’s rest and have enjoyed a healthy and nutritious breakfast.

Have a great week.

**Keeping up with Kinder**

Welcome back to Term 2, we hope you enjoyed your break. This week homework will start, which will include home reading and preparation of news topics. Please ensure your child returns their green bag and home reader every day. There are also a list of specific topics each week for your child to talk about during news.

**Traffic in Myall Street**

The school has been notified by concerned residents regarding the busy traffic in Myall street due to Council storm water work in adjacent streets. Please drive in a safe manner when children are coming & going from school. Please also be mindful of those children who may use the crossing zone in Myall street.

We ask you not to park on the far side of the street & call your child across, this is very dangerous for all involved. Thankyou.

**LIBRARY UPDATE**

**Read More in May** - Kakadu has already caught some children Reading More in May and they will receive their free book on Friday. Will you be amongst them?

**Book Club** - Book Club brochures and order forms went home yesterday. These are a great way to build your child's home library. Book selections cover both fiction and non-fiction; some activity books come with the supplies you need and prices start as low as $2. Remember also, that each book purchased earns the school bonus points, which go toward resources for the Library.

**Question of the Week** - Each week in the Library a new question will be posted for children to research. Answer cards and the answer box are found on the circulation desk. Each Thursday, a winner will be drawn from all the correct entries to receive a prize and winner's name will be published each week here in the Library Update.

This week's question: Why do camels have wide feet?

**Australian Mobile Dental Clinic Visit**

The Mobile Clinic will be visiting us again from 19th to 23rd May. Please return your consent forms indicating either yes or no to a visit to the dentist.
Responsible    Safe     Respectful

Doesn’t our school look beautiful in its Autumn colours?

Now that the weather is getting cooler, please ensure your child brings a jumper (clearly marked with their name) to school every day.

Wear Western Wednesday
To celebrate 125 years of PSSA sport students are encouraged to wear western sports gear to school this Wednesday, or any green and red coloured clothing.

Please note this is not an out of uniform day, so if students do not have any green and red clothes they should wear their normal school uniform to school. Please get behind and support this very worthwhile initiative.

Help celebrate 125 years of the school representative sports program!

There is no cost for the day.

Did you see what moved in the holidays?

Now the Stage 2 classes have somewhere cool & dry to eat their lunch & also use the great new lunch tables!

Life Education Van
The Van will be visiting our school from Mon 19th May to Thurs 22nd May
Cost $5.00
(This has been subsidised by the school from $9.00)

Life Education is outlined through a range of programs, e.g (healthy lifestyle, personal safety) for younger children & (peer influence, decision making & drugs)

Every child will receive a permission note today & we ask if they can be returned with the money by Thurs 15th May.
