**Message from the Principal**

Dear Parents and Caregivers,

**Book Week Parade**

I’m looking forward to seeing a large turnout from our school community as we celebrate Book Week tomorrow, with our parade. Mrs O’Reilly has been working tirelessly for the past few weeks to organise this event and has got the library looking absolutely fantastic. Students have been building Lego creations, staff have been talking about their favourite books and all is now in readiness for a successful day tomorrow. Make sure you pop into the library and have a look around and congratulate Mrs O’Reilly on a fantastic job with our school library.

**NAIDOC**

This event will be happening on Thursday 28th August, Week 7, and promises to be another great day at Dubbo North PS. Students will have the opportunity to paint boomerangs, thread beads and looms, play some Indigenous games, participate in Aboriginal dancing and lots more. Join us for a BBQ lunch as we come together as a community to celebrate this special day.

**Wombat Stew**

All the tickets for this event have now been sold and staff and students are all now just waiting for Monday to roll around to attend the production at the Regional Theatre. The 60 students will be supervised by Mr Gray, Mrs Wade and Miss Cronk and the students remaining at school will be split between other classes. Please ensure students attend in full school uniform on the day or they will be ineligible to attend.

**School Uniform**

It’s great to see so many of our students in full winter school uniform; they look fantastic and show great pride in their school. If you are buying new clothes for school for your children, please buy the correct coloured clothing as participation and eligibility to attend certain sporting and cultural events is dependent upon this. It also shows how proud they are to be Dubbo North PS students!

Have a great week,
Toby Morgan Principal
