**Message from the Principal**

**P&C Fete**
It was great to see so many school community members at the P&C Fete on Friday 13th November. The P&C did a great job organising the fete and the teachers pitched in on the day to make it a success once again. All money raised will go directly back into the school so everyone is a winner - the community enjoyed a great day, new resources will be purchased for the students and the school and P&C worked closely together which is always a good thing.

**SRC Speeches**
These were held in the school hall yesterday and all the students who presented a speech did a fantastic job and were definitely well prepared. The students were a credit to their families as standing up in front of an audience to speak is a very challenging experience.

---

As per the information last week, I received no feedback from the community regarding the suggested change from 6 SRC back to 4 due to decreasing nominations and Year 6 numbers generally, so this proposal will go ahead. In 2016 we will have 2 Captains and 2 Vice-Captains, along with 4 Junior SRC.

**When At School**
We are always encouraging students to speak nicely to one another and behave in a Responsible, Safe and Respectful manner whilst at school. This also extends to parents and visitors, so please remember to speak appropriately to staff/students whilst on the school grounds and remember that everyone has the right to feel valued and appreciated at school.

Have a great week,
Toby Morgan
Principal
