**Message from the Principal**

**NAIDOC**

Thursday of Week 4 will see Dubbo North celebrate NAIDOC at school. We will be conducting a range of activities on the day, a BBQ lunch and a special opening ceremony. It promises to be a great community and school event so please look out for further details coming your way.

**School Uniform**

Please ensure students are attending school in full school uniform every day, as they look fantastic and as though they belong to our school. If students are wearing scarves and beanies please try to purchase them in school colours, or colours close to it (ie. black or navy). It’s great when everyone can demonstrate their pride in the school.

**Earn and Learn**

Please remember to drop Woolworths receipts/stickers either in the box in the front office at school or in the green Woolies box at Woolworths at Orana Mall. All these receipts/stickers go towards earning points which allows us to purchase resources free of charge.

**Touch Football**

Well done to both boys and girls teams who represented our school in the Touch Football last Friday against Narromine Public School. Both teams went down but enjoyed the opportunity, represented our school with pride and displayed excellent sportsmanship. Well done.

**Data Collection**

Our school is participating in the collection of nationally consistent data on students with disability. We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability & or learning difficulty. This data collection will have no direct impact on your child & they will not be involved in an testing process. Confidentiality & privacy is ensured.

For further information or questions or if you do not want your child to be counted in the data collection, please contact the school.

Have a great week.

Toby Morgan
Principal

Parents and friends

Dubbo North Public School is running a training course for classroom helpers.

The Volunteers in Classrooms Course is a 10 week training program that equips volunteers to support children learning to read, write, and use counting in the early years of schooling both at home and in the classroom.

The course involves 5 x 2 hour training sessions and a minimum of 15 hours practicum in classrooms. An information session will be conducted at school early in Term Three.

For further information about this course contact Sharon Macleod Ph: 6882 4689 Mob: 0429 842595

Infants Pyjama Disco

At the end of Last Term Harley, Richard & Brodie enjoyed their pyjama disco after an exciting day at the Athletics Carnival.
