**Message from the Principal**

**PBL Whole School Reward**

This Wednesday all students will have the opportunity of attending the Flip Out session as part of our whole school PBL reward. Stages will be transported to and from the venue by bus and allowed to enjoy the facility for an hour. A note and risk waiver went home about this yesterday, so please make sure these are both returned by Wednesday as without these forms signed and returned students cannot attend. The whole excursion will be funded by the school, so there’s no cost.

**Kakadu Showcase**

Hopefully we’ll have a big turnout of parents/carers this Wednesday afternoon between 5:00 – 6:00pm for our first Kakadu showcase. This initiative will be run in your child’s classroom and will give them the opportunity to show you first-hand what they have learnt in class, how it relates to their education and all in a fun, relaxed setting. Every student has a part to play so it’s imperative they are all in attendance. What a great way to show off all the wonderful things they’ve learned.

**End Of Term 3**

Term 3 has been another busy and productive term, with students working hard in the classroom, on the sporting field and especially culturally. We’ve had Zumba on Fridays, quality teaching and learning occurring in the classroom, participated in many varied excursions and attended cultural events such as our NAIDOC celebrations and Aboriginal Dance workshops. I look forward to seeing all students return to school on Tuesday the 6th October refreshed and ready to take on the challenges of another busy term. Enjoy your break and the lovely weather that Spring provides.

Have a great week

Toby Morgan  Principal

Kakadu's Showcase

Wednesday 16th September
K - 6 & Support Classes
(in their respective classrooms)
5pm - 6pm

This is a “living report” where students demonstrate the knowledge they have gained, to their family. This will be a very exciting experience for the children, as they will present the entire evening, working with parents in small groups, to demonstrate their understanding in Key Learning areas.

It is anticipated that all students will attend, as each will have a roll to play in the events.

See you there

Orana Mall Competition Winners
Well done to Mrs Pilon’s Stage 2 class, and in particular Jessica Woods and Charlotte Hollier, for entering and winning this competition run by Orana Mall. Students had to write what their school needed, and Jessica and Charlotte wrote that we needed sports equipment, cooking utensils and items and herbs for the vegie garden for the Sistaspeak girls to cook with. Last Friday Chris and Jules from 93.5FM and some management from Orana Mall were on hand to present the school with all of these items plus the girls received gift vouchers to the value of $25. Well done girls!!
