**Message from the Principal**

**Parent Welcome Evening**
It was great to meet and greet some existing and new parents to our school last Wednesday evening at our annual Parent Welcome Evening. We had over 40 adults in attendance and I’m sure they appreciated the time to meet and discuss their child’s education with the teacher for 2016. Hopefully we can build on this and have an even bigger turn out in 2017.

**Personalised Learning Plans (PLP’s)**
These are set to be completed in Week 6 of this term, Monday 29th February to Friday 4th March. Classroom teachers will be given a day off class to complete the PLP’s with the parents and the students if the parent wishes. Parents/carers will meet with classroom teachers and set some educational and social goals for the semester which will be evaluated at the Parent/Teacher interviews in Term 2. Notes outlining the process to be completed, will be sent home shortly.

**Classroom Liberal**
Make sure you check out this section of the Daily Liberal every Tuesday, as the school submits a report and photos weekly to be included, showing off all the wonderful things happening in our school. Please make sure your child’s photo permissions are up to date.

**Kinders**
Our 30 new Kindergarten students have settled in very nicely and are now into routine at school. The students have completed some lovely artwork, some excellent handwriting and are always in the mood for a bit of dancing to get them going. The students are playing nicely in the playground and are being well looked after by Mrs Wallace, Miss Cronk and Mrs Price.

Have a great week!

Toby Morgan
Principal
