Message from the Principal

Personalised Learning Plan Meetings
These meetings commenced yesterday and are in place for all Aboriginal students and those students who have had adjustments made to their in class learning. Goals will be set, both academic and social, and these will be reviewed at the end of Term 2’s parent/teacher interviews. If you cannot attend your meeting time then the teacher will be in touch to do these over the phone.

Falconry Visit
This Thursday our school will be receiving a visit from a group that tour the state with a selection of birds, such as falcons and eagles. This visit is organised through the Dubbo City Council and is free for all students to attend. The show will be on from 2:15 – 3:15pm and promises to be very entertaining; please let your child’s teacher know if your child has a phobia regarding birds.

Western Swimming
Well done to all those students who participated at the Dubbo District PSSA swimming trials last Thursday evening. It was certainly a good day for swimming and we had over 30 students in attendance. A special mention to Dane Fuller and Shanay Coupe, who have qualified for the Western SSA swimming trials to be held this Friday. I know they’ll do us proud!

Ms Rogers, Mrs Singh and Mrs Couley
Stage 1 students are lucky to be receiving extra in class support from these teachers, both individually and in small group situations. Students who either need some extra help to catch up or those who need extending further will be catered for to ensure a well-rounded education is provided.

School Contribution Fees
Please make sure these are paid ASAP so the school and your students can benefit from the funds. The cost of these are $40 for one child or $80 for a family, and the funds raised from these go towards purchasing resources for students to use in class at school. The P & C also run a free raffle at the end of the year for all those students who have paid their fees and the prize is usually worth winning.

Have a great week!

Library Update

Premier’s Reading Challenge
The Challenge starts…NOW!
Yesterday all the children were given a green folder to record their reading. Inside the folder are the instructions for how the challenge will operate (on the back of the cover). Please read this to support your child’s effort.

Children K-2 need to share 30 books with their family, while Years 3-6 need to read 20 books by the end of August to complete the challenge. As children progress there are small rewards as encouragement along the way. For K-2 these rewards are at 8, 16, 24 & 30 books, and Years 3-6 at 5, 10, 15 & 20 books. Bring the recording sheet to the library for checking and data entry to receive each reward as it falls due.

Remember, the challenge books are marked with a sticker and lists of books for each challenge are kept in the library.
